DETAILED ACTION / ALLOWANCE

This action is responsive to Applicant's amendment of 3/3/06, which have been placed in the electronic file of record.

Withdrawal of Claim Objections

In the Office Action of 12/9/05, several claim objections were made due to various informalities, generally pertaining to the use of acronyms. The Applicant has corrected these informalities, and as a result, these claim objections are withdrawn.

Allowable Subject Matter

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance: The Examiner, in the previous Office Action of 12/9/05, allowed claims 1-19 and rejected claim 20 under 35 USC 102. The Applicant has opted to simply cancel claim 20. Therefore all remaining claims are in condition for allowance. The reasons for allowance of claims 1-19 have already been given in the Office Action of 12/9/05.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
